

## EDITION 57

December 2018 – May 2019

## From the Manager's Desk

The 2017/2018 financial year has resulted in the Kangaroo Flat Sports Club recording a profit amount of \$327,359.14. The large profit increase mainly has been attributed to the club not having an annual Gaming Licence repayment expense of approximately \$288,000 for the financial year plus controlled costs to meet all financial commitments. Therefore, we have experienced a very successful year of trading.

Some of the Club's major expense items during the past financial year included:-

- Purchase of 100 new Bistro Chairs – \$18,000.00
- 3 Point of Sale bar terminals – \$7,485.00
- 2 Undercounter bar dishwashers – \$9,850.00
- 2 Single Door bar fridges – \$6,200.00
- 1 Double Door bar fridge – \$4,100.00
- 1 Ice Maker for bar – \$2,500.00
- 1 Electric Fryer for kitchen – \$5,200.00

The major building project that commenced later in the past financial year was the Bistro/Sports Bar refurbishment. Walsh & O'Meara, commercial builders of Bendigo completed the required bar works within a 12 week pe-riod and we now have a very attractive and efficient bar that will service the club adequately for some time. Cost for all works amounted to approximately \$330,000.

Once again the dedication and commitment displayed by all staff members is much appreciated as the staff have enabled the club to sustain business growth in the various operating areas of the Club resulting in another successful year.

The continued support provided by Board members in a voluntary capacity is appreciated and it is pleasing to work together to achieve the necessary goals and objectives to meet our financial commitments in further developing a fantastic community asset that we can enjoy at Dower Park, Kangaroo Flat.

**I wish all members a Merry Christmas and a Happy New Year.**
